Dear Editor

My name is Claire and I am a local resident, have 3 small children and a dog.

The reason for my email is that myself and other parents in this village are concerned about the amount of dog poo that is being found around the village.

I am aware of the new signs on the green but, being a dog owner myself, I am picking up other owners' mess, which is on the green, by the all weather court and by the school on the path.

Claire Gargiulo

To all the Friends of Fred Styles

Dear All

Firstly may we start by expressing our absolute delight that so many of you were able to join us for Dad's cremation on Wednesday 16 November. It was really quite overwhelming to see you all and we know how proud Dad would have been. It was a truly emotional day for us and we thoroughly enjoyed meeting you all and seeing where our Dad spent lots of his time socialising, playing cards and generally betting. We thank you for making Dad's later years so enjoyable.

Secondly, as you know, we asked rather than sending flowers that donations be made to Arthur Rank Hospice. This is a wonderful place where we know Dad was very happy. The staff there went above and beyond to help him and made his last days wonderful. So many of you kindly gave generously and for this we are truly grateful and thank you from the bottom of our hearts. To date we have collected just over £800 and the figure is still rising. Again, many thanks to you all.

Finally, we would just like to say how lucky and privileged our Dad was to have such good friends and we look forward to seeing you all soon. Take care.

Many thanks

Kim, Barry, Keith, Sharon and all our family.

Dear Editor

The Post Office and Library would like to thank the community for all the support and good wishes we have received since the robbery at the Post Office on 5th December. We especially want to thank Bar Hill Church for the lovely flower arrangement and Lin Whyte, the staff and pupils at Bar Hill Primary School for the flowers and the very special books created by all the children. We have been totally overwhelmed by your concern and support.

Thank you very much indeed.

I am still providing the same service as before and am still happy to pop and see my customers at Bar Hill...if they cant get to me.

BAR HILL CRICKET CLUB

We're getting back into the swing of cricket as the first indoor net sessions have been held at Hills Road Sports Centre, with creaking limbs slowly getting used to the effort.

The **nets are on Monday nights** from 8 pm to 9.30 pm and cost £3 for adults and £1.50 for anyone aged under-18 or all those in full-time education (please note IOU's will not be accepted). If anyone needs to arrange a lift, please contact me on the number below.

Once again, we will field two adult sides in the **CCA league** for the forthcoming season, playing on Saturday afternoons.

We will have a limited number of **Sunday friendlies,** including the Chairman's Challenge against the Sports & Social Club, which will this year and in the future be in memory of Fred Styles.

As well as these fixtures, we intend to enter a **midweek evening league**, and more details will appear here in the coming months.

Any adults – male or female and of any level of experience – who are interested in joining the club, please contact me on the number below. There are no adult membership fees, although match fees do apply.

For the youth members, we have entered an **under-12 team** in the league for 2012, so if there is anyone in the first year at Swavesey VC, or at the primary school, who is interested in playing, then please give me a call on the number below.

We will also be organising **training sessions for younger children** in the spring and summer, so watch this space.

There is a youth membership fee of £10 per child to cover costs, but **no other charges** will be made throughout the season.

BAR HILL YOUTH CLUB

The Connections Bus Project is a charity that runs drop-in youth projects for young people of secondary school age, offering opportunities for socialising, recreation, education, advice and information to all young people who choose to use the service.

During a session the young people are free to come and go as they want as long as they stick to fairly basic behavioural codes of conduct. We are committed to keeping the environment on the bus safe and enjoyable. Staff will try to monitor the immediate surroundings of the bus but cannot supervise young people if they choose to leave the venue. They are also not in a position to assist young people in getting to and from the venues safely.

The youth workers who staff the bus offer advice about all issues that affect the lives of young people.
These may include:
drugs and alcohol
bullying
health
self-image
sexual health
relationships

Support will be provided in making informed decisions about the relationships the young people are in, and to help them explore their personal values. We work hard to ensure that all our information and the advice that we give is age appropriate. A discrete service is also available offering free condoms to those that have registered on the c-card scheme (full details available here: www.ccardcambs.org.uk).
All our staff are CRB checked and trained to appropriate levels. Where young people need specialist help we have strong links with local organisations enabling the referral of individual cases.

Women's world day of Prayer
Friday March 2nd 7.30 pm

Each year, on the first Friday in March, a special service is held in countries throughout the world. This day is called The Women's World Day of Prayer.
The title is a bit misleading. It does not mean that it is just for women to come together to pray. It means that each year the service itself has been planned and prepared by the Christian women of a particular country **for all people, men and women, to participate in.**
We will hold our service in Bar Hill church at 7.30 pm. **It is for all people, men and women,** so do come along and join with our brothers and sisters around the world in this special time of prayer.

Pat Muir.

BAR HILL COLTS F.C

After all the Christmas and New Year festivities, our teams are now back !!

This month includes an update on our newest members to the Club, but first our under 11 team continue in their merry way

RESULTS FROM 7 JANUARY...

RAVEN-TASTIC

Oakington Vikings 2-5 Ravens

A challenging game for Bar Hill to kick off 2012 playing against Oakington who are unbeaten at home in the League. Following a five week break over the festive period and frozen pitches preventing any action the Ravens took a little while to settle. The Vikings were combative and determined and deservedly went in front.

If not for **Luke Shanahan's** heroics in goal Bar Hill would have fallen further behind as the keeper made a series of fantastic saves. The introduction of **David Wallace** was key and the Ravens began to assert themselves on the game. The blues started passing the ball effectively and were rewarded when **James Debono** equalised. On the stroke of half time **Harry Sargent** finished off a fine move to give the away team a decisive and confidence boosting lead.

Bar Hill dominated the second half and played some good football against a solid side looking to protect their home record. Captain **Liam Rabel** scored an amazing third goal after making a great tackle before running the entire length of the pitch evading several challenges and slotting the ball past the keeper. **Rabel** scored his second with a clincally placed shot, followed swiftly by **Ali Rees** scoring from a trademark free kick on the edge of the penalty area with his rehearsed accuracy to put the game beyond the home teams reach. Oakington scored a late consolation goal but the Ravens had done enough to secure the victory. Well done to every player involved

Girls wanna have fun..

Following a successful 6-week trial period run by our Chairman, **Jairo Marin**, I can report that the girls team will continue to train. It is hoped that a team will be formed next season to enter the Leagues. I am pleased to announce that the Manager/coach for the new girls team is **Christian Merry** and we wish him and his team every success in the future

Bulletts 3 - 3 Gransden

A slow start from the under 10 Bulletts team meant they soon found found themselves 2 goals behind. However a double from **Evan Barrett** squared the match before the visitors scored another before half time

The second period had only one goal and was scored by **Tommy Tyrrell** to level the match again

Foxes 2 – 2 Cherry Hinton

The under 9 Foxes started the New Year when a deflected shot from **John Cornwell** opened the scoring. However the team found themselves behind as the visitors scored two goals.

Theo Collins came to the rescue when he scored the equaliser

NEW VENTURE
A REFEREES ACADEMY

We have embarked on creating our own referees' Academy designed to provide a qualified referee to every mini soccer and colts games in the village. The Academy will also give youngsters that wish to take up the whistle, the opportunity to gain experience and ultimately progress to refereeing adult football.

Referees perform a vital role in the game, and it is

estimated that 20% of matches are played without a qualified referee.

The programme is designed to help the referees to interact with children; adults; build on their decision-making and social skills. Equally, it is important that players, irrespective of their age or gender, understand the importance of having a qualified official at their games, to respect and uphold the laws of the game.

Pivotal to this programme will be the feedback that the referees will receive after their games. We have appointed an Assessor Coordinator whose role will be to oversee these games and provide feedback to the referee to ensure that they learn from their experience.

The young referees currently in the scheme are: **Ben Loraine, Dan Virgo, Matt Childs, Tom Page, Hayley Stevens & Katie Page.**

The club has been able to fund the Academy following the successful award of the 'Grow the Game' grant which was provided by the Football Foundation with assistance from Cambs FA.

FRIENDS OF BAR HILL LIBRARY

The Library today

Did you go into your local Library last year? If not , make sure you visit it this year. If you last used a library some years ago, you will find a very different service now from what you remember. The latest changes are the self-checking equipment, installed this year, and the expansion of the village's Post Office.

Modern libraries are information centres with much to offer. There are events for children and adults, story tapes for those who prefer listening to reading, occasional talks and social events, and lots of books to borrow. You can order books from other libraries, consult the wide range of reference material or use the computers – with free access to such resources as the Dictionary of National Biography, Encyclopaedia Britannica and Ancestry.com.

Coffee mornings The Friends' coffee mornings give you an opportunity to meet library supporters and find out about our activities. Dates for the next couple of months are Thursday 2 February and Thursday 1 March. They start at 10 am and finish at noon.

Social gatherings In January we held our annual winter social. It's for Friends only and it is an informal way to thank you for your support. The event gave us the opportunity to have fun and get to know each other better.

Reading circles Our two groups continue to meet regularly. The circles had a joint Christmas celebration at the end of 2011. Instead of giving presents, we collected money for charity (the total is not known at time of writing). The charity we chose was Sightsavers, which runs eye camps in third-world countries to treat conditions that lead to blindness.

Subscriptions Please remember to show your support of your local Library by renewing your subscription, or by joining the Friends. Individual subscriptions remain at £6 a year. The charge for families is now £8.50, a bargain as it covers all family members living at one address.

Bar Hill Sports and Social Club

The Sports and Social Club is situated on the top floor of the Village Hall. You can watch live sports on our two large TV screens in HD, play pool, darts, skittles and cribbage or enjoy a quiet drink in our conservatory bar.

Swavesey Village College

The Sunday Times top 200 non-selective state Schools list

Swavesey Village College is celebrating its success at being ranked 4th in the recent Sunday Times Top 200 non-selective state schools list. 44% of the GCSE's taken in the summer of 2011 were graded at A – A* This recognition represents the significant improvement seen over the last 5 years with the figure more than doubling. It is also recognition of the commitment of all staff in every subject area, students and their parents to ensuring every individual can achieve their full potential.

HAPPY HOURS – NEWSLETTER

A Happy and Healthy New Year to everyone. A New Year, the festivities over and now we look forward to the Spring and the days getting longer.

To catch up since our last report, our 22nd Birthday Party in late November was a huge success, lovely food, drink, music by Tony Jacks and it was really good to see many members dancing.

The collection we had in lieu of cards at one of our meetings in December was added to the amount raised for Terry and Fred and £70 each was sent to Arthur Rank and Cancer Research. Sadly we then lost another member, the lovely Ida Sulman, one of our "nineties".

Cheerfully, in the afternoon we had the school children in to sing Christmas carols and entertain us. It was lovely to have them call into the Club again and we hope they will come again soon.

Our Christmas Lunch was held again at the Menzies where we were very well looked after by their efficient Staff: a lovely meal, a Christmas Punch, raffle (with thanks to The Cambridge Building Society who donated some great prizes), and music by Tony Jacks again. (who kindly stood in at short notice for our booked entertainer who died suddenly). All members had a Christmas gift of a box of chocolates.

A reminder to all residents of Bar Hill that **our club is open to anyone over the age of 55 and retired people**. If you are not sure, you are welcome to join us for coffee in the Octagon any Monday morning - we are there from 11 am – 3 pm. If you are unemployed and at a loose end why not consider joining us for a while?

MESSAGE FROM PCSO BUJAR MANI

Hello All

It has been a very busy time for the Histon Neighbourhood Policing Team during the past month. Most surrounding villages including Bar Hill have been victims of crime one way of another, the largest problem we have been encountering however has been dwelling burglaries from businesses and burglaries from sheds and garages.

The normal point of entry we are finding is to the rear of the property, the offender will either gain access by smashing the window to a patio door or jemmying a window open. Once inside the offender will most likely be looking for cash and jewellery.

Here is some crime prevention that could help reduce the possibility of this happening to you.

Do

- ☺ Wherever possible please mark valuable items with a UV pen or visit Immobilise - www.immobilise.com. which is a nationwide secure database system that allows you to protect your property by registering on-line any valuables that have a unique serial number such as mobile phones, laptops, ipods, bicycles, and cameras. Immobilise is searchable by police forces all over the country and will help reduce property crime and reunite owners with their property.
- ☺ Remember to keep windows and doors locked whilst property is left unattended. Remove the keys and keep them out of sight in a safe place.
- ☺ Use thorny plants and bushes to deter access at vulnerable positions.
- ☺ Ensure your property looks occupied when you are out by pulling the curtains to or having a timer light switch on and off.
- ☺ Lock away ladders, garden tools, spades and forks that otherwise might be used by burglars.
- ☺ Ask a friend or neighbour to look after your home if you are going away and cancel any milk, newspapers or regular house deliveries.
- ☺ Trim back any plants or hedges that a burglar could hide behind.
- ☺ Display motion sensor lights or CCTV around the exterior of your home.

Please Do Not

- ☹ Keep large amounts of cash in the home.
- ☹ Attach your house key to a piece of string through the letter box or leave keys in the lock (on the inside of the door) especially if you have a cat flap.
- ☹ Leave your back door open when you are out in the garden.
- ☹ Position your dustbins or wheelie bins near gates or fences where they can be used to climb over.
- ☹ Leave car keys on hall tables or stairs and thereby accessible to burglars through the letter box with a hook or magnet device.
- ☹ Leave a spare key in a convenient hiding place such as under the doormat or in a flower pot.
- ☹ **Do not use barbed or razor wire or broken glass on the top of garden walls or fences. You can be held legally responsible for any injuries caused and there are safer alternatives.**
- ☹ Leave unlocked a garage, shed or outbuilding that might contain expensive tools or tools that are ideal for breaking into the rest of the house.

If you would like to report the incident at a later date please call our new non -emergency number which is 101.

If you have any issues or concerns in your area and would like to discuss them with me please contact me via e-cops or my email: bujar.mani@cambs.police.uk.

Kind Regards

PCSO Bujar MANI Histon Neighbourhood Policing Team 101 ex 3720

NHW supports building safer communities where the word 'safe' is used in its fullest sense. Obviously it includes tackling crime but also watching out for each other in particular situations.

- Illness and adverse weather could cause problems for those living alone so please keep an eye on vulnerable neighbours who may need extra help with shopping, collecting prescriptions etc.
- People on limited income may be tempted to economise on food and heating bills but good food plays an important part in keeping well and hypothermia can be dangerous. The main living room by day and bedroom by night should be heated to 18-21°C. If you suspect someone has hypothermia (symptoms can include shivering, confusion, low energy) seek medical advice immediately.
- If you have any concerns about an elderly person call Age UK free on 0800 169 6565.
- No lights on in the evening*, curtains still drawn during the day or milk/newspapers uncollected could all mean someone is ill and needs help. Please act on your concerns and investigate, if absolutely necessary calling the police on 101.

**Of course it could just be because you are out. To deter potential burglars use a timer to bring lights on, and maybe a radio, though not only in the hall (who lives in the hall?!) or where it lights an obviously empty room.*

Sadly every year the press reports a tragedy where someone's suffering has been overlooked by the local community – let's all do our part to make sure Bar Hill never hits the headlines for that reason.

With best wishes for a Safe and Happy 2012.

Pam Vendy

NHW Village Co-ordinator.

BAR HILL SCHOOL

We hope you all had a great Christmas and wish you a Happy New Year! A welcome back to all of our children and parents into what is proving to be a very busy first half of the Spring term. The children have settled back into school very well since the Christmas break and have been enthused by our whole school topic named 'Look Back and Wonder'. This theme ties together all aspects of History and Geography, through other subjects across the curriculum. Children came into school on the first day back to find that their teachers had changed into characters from Egyptian and Celtic periods! Many of the children will be experiencing how different cultures used to live when we have our whole school History week at the end of January.

We are very lucky to be able to offer a wide variety of extra curricular clubs after school this term such as ICT Club, Glee Club, Street Dance and a new Bollywood Dancing Club. These have been very well attended by children of all ages.

Finally, this will be a farewell from me as after three and a half years of being the Deputy Head at Bar Hill Primary school, I shall be leaving at February half term for a new position, still in education but as a Assessment Science Product Manager in Cambridge. May I take this opportunity to firstly thank the staff within the school for all their wonderful help and support during my time here but also would like to thank the children, parents and local community of Bar Hill. I have thoroughly enjoyed my time being part of the community here and these memories will stay with me forever.

Sanjay Mistry – Deputy Head, Bar Hill Community Primary School

FLY TIPPING CAN BE DANGEROUS TO THE PUBLIC

South Cambridgeshire brought before Magistrates a man from Cromwell Park in Over, who was found guilty of unlawfully depositing waste and fly tipping by the side of a road in Boxworth. Despite being issued with a warning and fixed penalty fine after dumping waste in January, the man repeated the breach in June with the waste being traced back to his home by the District Council. He was fined £500 for the offence, costs amounting £470 were awarded to the Council and a victim surcharge of £15 was imposed.

If you find waste that has been fly-tipped in South Cambridgeshire please contact South Cambridgeshire District Council's Enviro-Crime Team on 03450 450500 or 01954 713407.

COULD YOU OR WOULD YOU LIKE TO BE A COUNCILLOR?

South Cambridgeshire District Council is running a 'Be a Councillor' event at its Cambourne offices at 6 pm on Monday 13 February 2012, ahead of elections later in May, to help people find out more about what district councillors do and how to go about standing for election.

For more information about the 'Be a Councillor' event, and to book your place, contact Democratic Services on 03450 450 500 or email democratic.services@scambs.gov.uk (This link will open in a new window)

So if you're looking to lose weight, give up the cigarettes or just want to check how healthy you are, why not ask for an appointment with the Health Care Assistant or Practice Nurse.

Chlamydia

All young people under 25 who have ever been sexually active should take a Chlamydia test. It's a very simple test you just provide a urine sample. Kits are available from the surgery. Just pop in and pick one up from reception or see the Practice Nurse if you would prefer.

Patient Participation Group (PPG)

If you are a registered patient and would like the opportunity to influence how we deliver our patient services and other surgery improvements then why not join our PPG? They meet on the last Wednesday evening of each month in the Octagon and are looking for representatives from all age groups within the community. For more information see website www.maple-ppg.org or call into the surgery.

Extended Hours

We now offer early morning appointments on a Tuesday from 7:00am – So if you need to see a Doctor before work, you can book an early morning slot. We can also take blood samples and do health checks at these times.

Our doors are now only closed from **12:30pm to 1:30pm**, but our phone lines are now open from **8:30am through to 6:00 pm**. So if you need to contact us for whatever reason then just call reception on **01954 780442**.

I wanted to let you know that you can now contact Cambridgeshire Constabulary on 101 for all non-emergency calls. The 0345 456 456 4 number will remain in use alongside 101 for several months to allow people time to get used to the new number.

The change comes part of a national programme to make 101 the single non-emergency number in England and Wales, giving residents an easy-to-remember number to contact local police wherever they are.

The call system is designed to recognise where you are calling from and connect you with the local police service. If you did not want to speak to your local force, or the force area you are in, you will be given the option to be connected to different one. **Please continue to call 999 when an immediate response is needed because a crime is happening, someone suspected of a crime is nearby, or someone is in danger.**

Kind regards

We have two settings in the village located at the Village Hall Centre and Church Centre. Both Pre School settings have bright and airy rooms, both gardens are fully secure and enclosed. We provide safe, secure, independent learning environments for children aged 2-5 years.

Our ethos is to ensure a high quality of care and education by focussing on each individual child's ability, interests and we encourage their development throughout the Early Years Foundation stage.

Our key person and buddy system enables our Early Years team to meet the needs of individuals through planning child focussed next steps.

We have a snack bar where all children in turn prepare a variety of healthy balanced foods for themselves and peers twice a day.

Snack times help children to develop independence through preparing, making choices, serving food and refreshments.

We pride ourselves in providing outstanding Parental/ Carer partnership and use communication diaries to encourage working together.

Moving on sessions

These sessions are for children in their final year at Pre School. This is a more structured session preparing children for school entry.

Flexible childcare and Early Years funding

We are registered for and offer 15 hours free flexible childcare for the term after a child's 3rd birthday.

Playtots Sessions

These are held at the Village Hall on Tuesday 9.15-10.45. They are for Parents/Carers and children up to 5 years old including babies. We have lots of fun and have a large selection of indoor/outdoor activities including our soft play den and toys especially for the tots. Sessions are held on a pay as you play basis. Drinks and healthy snacks are provided.

For more information please contact either Pre School on the above numbers or feel free to pop in and meet our Managers and Early Years team during session times.

Our session allocation Co-ordinator Sarah is always on hand to support you through the registration process. Email: enquiries@barhillpreschool.co.uk

REPLACEMENT OF STREET LIGHTS

As you are aware the Counties Contractor Balfour Beatty will be renewing Cambridgeshire's street lighting over the next 5 years. The renewal works for Bar Hill are currently programmed for April 2012 and residents will be soon receiving a letter explaining the process.

As soon as the designs have been finalised and approved the contractor will be able to up-date residents with plans, notification leaflets and letters to include further information; such as the street lighting stock reductions.

Dear Residents

The Parish Council is in discussions with South Cambs and other agencies regarding the maintenance of the stream. Nothing will happen very quickly because of the number of agencies involved. As soon as there are some firm proposals, I will put another article in the Bar Hill News.

Margaret Sellars Chairman Parish Council
